

Session V Enrichment Registration Form

April 22, 2024 - June 6, 2024

Thompson Middle School Site

NAME: _____ <i>(First and Last Name)</i>	GRADE: _____	DATE: _____
--	---------------------	--------------------

Please number your choices 1, 2, or 3 on each day you wish to stay next to your first, second, and third choice in case you do not get your first choice.

Monday

Class	Grade	Time	Number of Students
Origami: Each week students will learn the folds needed to create some origami, which they can take home.	All Grades	4:00pm-5:00pm	12 STUDENTS MAX
**Blossom and Brush Gratitude Club: Get set to uncover the enchantment of gratitude, social skills, self care, and eco-friendly adventures as we grow and learn about flowers in both our outdoor garden and art studio!	Grades 5,6,7	4:00pm-6:00pm	7 STUDENTS MAX
**NCS Food Lab: Who's ready to eat? The food lab is a great opportunity to learn about different foods and cook them. Students are also provided duplicate ingredients each week to bring home and prepare for their families.	Grades 7 & 8	3:30pm-5:30pm	13 STUDENTS MAX
Bodi Boxing Youth Program: Bodi Boxing is aimed to help young adults with skills that translate to build self esteem, confidence, and discipline while improving physical and mental strength with some added fun.	All Grades	3:00pm-4:00pm	12 STUDENTS MAX

Tuesday

Class	Grade	Time	Number of Students
Roll Models**: Each afternoon, we'll start by learning something about bikes and bike riding and then will take a group ride together!	Grades 5 & 6	4:00pm-5:00pm	6 STUDENTS MAX
**Sail Newport: Explorers will learn to powerboat while also learning about the science and history of the Narragansett Bay. Students will learn to operate a powerboat safely and expand their power boating skills on our powerboats. Hands-on activities around marine topics include: vessel systems, wave energy, water quality, simple machines, sustainable energy, and more!	Grades 6,7, 8 only	3:00pm-4:15pm	13 STUDENTS MAX
International Club: The International Club will promote appreciation of foreign languages and cultures among young children. Using materials such as video games, board games, bowling or toss games, card games, visiting local bakeries/museums, or watching foreign children's films or television series encompasses authentic French, Spanish, or Italian cultural experiences.	All Grades	4:00pm-5:00pm	12 STUDENTS MAX

Wednesday

Class	Grade	Time	Number of Students
**Audrain Museum Club: Learn about the history of cars and automobile culture! You will see some of the rarest and most expensive cars in the world. The museum has a collection of over 450 cars. We use 15-20 cars at a time to tell the story about the history of cars and how they affected the world. If you like cars, the Audrain Museum will be your new favorite place.	Grades 6,7,8	4:00pm-5:00pm	10 STUDENTS MAX
**Blossom and Brush Gratitude Club: Get set to uncover the enchantment of gratitude, social skills, self care, and eco-friendly adventures as we grow and learn about flowers in both our outdoor garden and art studio!	Grades 5,6,7	4:00pm-6:00pm	7 STUDENTS MAX
Guitar Club: The Guitar Club is an introduction to the guitar. The class will focus on introducing the instrument to students. We will learn some single string songs, how to play simple chord progressions and scales.	Grades 5 & 6	4:00pm-5:00pm	8 STUDENTS MAX
Introduction to Robotics: This is an introduction to robotics. You will learn about Lego materials, basic engineering, the use of sensors, programming, and teamwork. Fun mini challenges will be used to test your skills.	All Grades	3:00pm-4:00pm	10 STUDENTS MAX

Thursday

Class	Grade	Time	Number of Students
Core Theater: Acting, Singing, and Dancing! Students will enjoy theater educational classes, guest artists, master classes, dance, voice and aspects of technical theater culminating in full scale productions.	All Grades	3:00pm-5:00pm	15 STUDENTS MAX
Pokémon Trainers Club: In the Pokémon Trainers Club, students will be able to participate in various activities and games based on the beloved "Pokémon." With a wide range of activities, students (trainers) will be able to increase their Poke knowledge and explore the world of Poke.	All Grades	4:00pm-5:00pm	12 STUDENTS MAX
**Sail Newport: Explorers will learn to powerboat while also learning about the science and history of the Narragansett Bay. Students will learn to operate a powerboat safely and expand their power boating skills on our powerboats. Hands-on activities around marine topics include: vessel systems, wave energy, water quality, simple machines, sustainable energy, and more!	Grades 6,7, 8 only	3:00pm-4:15pm	13 STUDENTS MAX
PROWD Group with Ms. Clarke: People Respecting Others With Dignity! (PROWD!) is the place to be for students who identify as LGBTQ+ and their friends, families and allies	All Grades	4:00pm-5:00pm	12 STUDENTS MAX

** Designates if the student travels off-site to the location of the Enrichment Program.

**Parent Signature: _____ Date: _____

Program Registration: Students who miss more than two classes in a row may be dropped from the class list and waitlisted students will be permitted to take their place. Classes may be closed to any new students after a certain number of the classes have met, at the discretion of the Site Program Coordinator and Program Provider. Registration for Enrichment Classes is based on a first come first serve basis with session registration taking place two weeks prior to each session start date.
